

Young Rider's Club Points

Wheal Buller has started a points system new for 2012.

Points can be earned through different horse related activities, then the points are recorded and can be used to pay for lessons, hacks and activity days and even towards camps.

For example:

60 points = One hour hack or lesson

3 points = £1 worth of riding

The Saturday Club and the Sunday Workshop, teach children all about horse care, these sessions include practical, theory and quizzes with optional homework.

Children gain points by:

- Attending the 3-4.45 pm lecture and practical gets you 1 point.
- Helping with lessons 5 points
- Homework 1-5 points
- Homework of the day 3 points
- Quiz 1st = 6 points, 2nd = 4 points, 3rd = 2 points
