

Sunday

Dear Guests

We regret we are unable to take children before 1pm as the cleaners will still be in the accommodation.

This is a general programme, we may need to alter it to take account of riders' abilities, weather conditions etc.

We have revised our programme for 2013 to include your old favourites and many new activities. Don't forget - each activity will be adjusted to the ability of the group and you don't have to do anything you are not confident with.

Our aim is for everyone to have a great time here, so don't be afraid to speak up to Janet or Karen.
