

Cornish Riding Holidays

Programme for Non-residential Guests

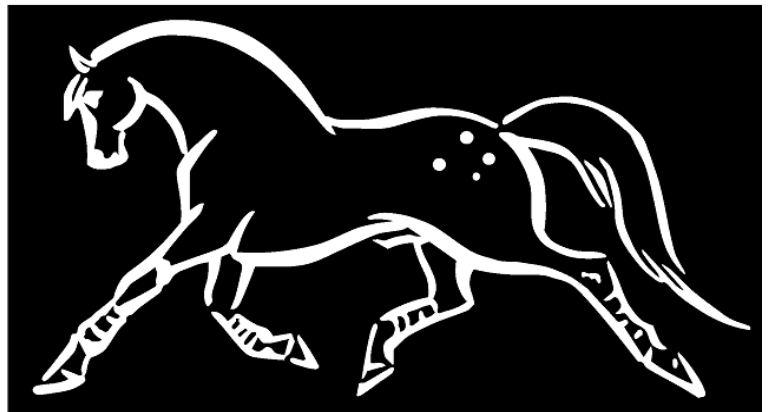

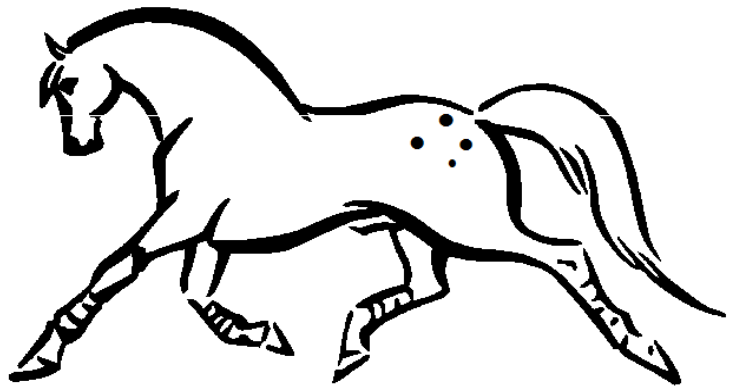

Dear Visitors

If you are coming for the full week you will be put in to a group (either A or B) and will do the full programme as shown. This may vary according to the rider's ability and weather conditions.

If you come in for just one day the programme for the week does vary slightly so please check before arrival.

We do our utmost to adjust each activity to enable all standards of riders to do all activities as shown, but this is occasionally not possible.

Our aim is for everyone to have a great time here, so don't be afraid to speak up to Janet or Karen.

Rides: While riding, if you need to adjust stirrups, take off a coat or pass a bag to a companion, tell the escort so that they can halt the ride, hold your helmet or assist you. Do not remove your helmet while mounted.

Mobile phones: We are happy for children to bring mobile phones and go-pros – these are fine to take on rides but phones must not be used while riding.

Payment – By cheque, BACS, Credit Card or Childcare Vouchers.

Childcare Vouchers: As we are registered with Ofsted we can take childcare vouchers as payment towards your child's activity with us.
